THE Grange Hotel was built in 1866 overlooking the unspoiled small town of Grange-over-Sands Today, it is renowned for its superb cuisine and an exceptionally high standard of customer care in comfortably luxurious surroundings.

Set in private landscaped gardens and natural woodland, the hotel is easily accessible with only a 15 minute drive from the M6 motorway. A mainline railway station is directly opposite the hotel and a frequent service operates to and from Manchester International Airport with regular connections with the North and South at Preston and Lancaster.

The Hotel offers 50 attractively styled en-suite bedrooms offering all the facilities one would expect from a first-class conference hotel.

Over the years, we have gained a well-deserved reputation for fine dining. Our team of skilful chefs produces a varied selection of home-baked cuisine daily, using only the highest quality local produce. We are also flexible as to menu options and when you choose to eat.

Delegates will also appreciate the facilities on offer in the Health and Leisure Suite, which include a heated swimming pool, jacuzzi, sauna, steam room, solarium, Beauty Salon and gymnasium.

In addition, the facilities available on our doorstep are ideal for team-building exercise and outings. It is only a short drive to Lake Windermere where you can go sailing, orienteering and hot-air ballooning. Alternatively, the hotel grounds offer ample opportunity for paint-balling fun and the challenge of an assault course.
